Magnolia Clubhouse is a vital community of growth, hope, and opportunity. Our mission is to ensure that people who live with a mental illness are respected co-workers, neighbors, and friends.

Our vision is that one day, across the world, the social rights movement for human justice to which Clubhouses are dedicated, will no longer be needed. People who live with mental illness everywhere will live lives of dignity and fulfillment, and reach their full potential.
“I really like being a part of the working community in University Circle where I am respected.”

Merle Ross
Marriott Hotels
Partner since 2013

Magnolia Clubhouse is a community that creates opportunities for people who live with mental illness. The Clubhouse promotes educational, social, vocational, and personal achievement as a foundation for psychiatric rehabilitation.

Through Transitional Employment, members are supported in time-limited jobs. In addition to providing members with both training and support, the Clubhouse guarantees job coverage for the employer.

These positions not only offer a bridge into the workforce, but allow members to add to their experience and build confidence.

Advantages for employers are:
- Save advertising, start-up, and training costs;
- Secure dedicated and qualified employees;
- Reduce high turnover in entry level jobs; and
- Receive guaranteed job coverage.

To find out how this program can benefit your business, call Magnolia Clubhouse at 216-721-3030. Ask for the Business Unit at extension 150.

Magnolia Clubhouse is a vital community of growth, hope, and opportunity. Our mission is to ensure that people who live with a mental illness are respected co-workers, neighbors, and friends.
